

Bubáci do vrecka

Students: Yehor Verhun, Artem Korotkyy, Vladyslav Yanchenko, Stepan Cherevko, Peter Kobeľák

Company: MŠ S láskou, o.z., Miriam Kulíková

University mentor: Ing. Stanislav Ondáš, PhD.

Bubáci do vrecka

Turning nursery school brochures into digital support for parents and teachers

Why was the app created?

- Adapting to nursery school is challenging for both children and parents.
- The app helps navigate this period with sensitivity and understanding.

What the app offers

- Activities for kids – available offline
- Saving activities
- Expert recommendations (psychologist, educator, therapist)
- Simple and playful navigation
- Supports cooperation
